## BILL NO. 1.

CHAHTA TAMAHA, C. N., October 12, 1881.

*To the General Council:*

Your committee on the Chief's message would respectfully recommend the adoption of the following resolution in reference to Col. Peter P. Pitchlynn, Col. Forbis Leflore and Capt. John Mishimahtabee:

*Resolved*, That it is a public duty to make grateful recognition of the long and distinguished services and usefulness of Col. Peter P. Pitchlynn, who died at Washington City, D. C., February 17, 1881, and whose services commenced with the first efforts made by the Choctaws to have written laws for their own government, and at the same time to establish schools for the education of their children while the Choctaws were east of the Mississippi.

That his services thus early commenced unremittingly continued to the time of his death.

That he contributed largely to the forming and perfecting the form of the Choctaw government, as well as to creating school funds which now support and maintain the schools of the Choctaw Nation, and that he was a strong friend to temperance, morality, religion and good order among his people.

That the services of Capt. John Mishimahtabee and Col. Forbis Leflore, who died at their respective homes, commenced in this country and were identified with every effort made for the advancement and improvement of the best interests of their people, and that they were also

at heart, true friends of the prosperity and happiness of the Choctaw people.

That the Choctaw Nation has suffered serious loss by the deaths of these three distinguished men.

That the usual badges of mourning be worn by the members of the General Council and National Officers for thirty days.

That an authenticated copy of this resolution be sent to the family of each of the said, Col. Peter P. Pitchlynn, Col. Forbis Leflore and Capt. John Mishimahtabbee, by the National Secretary.

That the General Council adjourn on Friday, Oct. 14th, to the Saturday, 1881, in respect to the memory of the said Col. Peter P. Pitchlynn, Col. Forbis Leflore and Capt. John Mishimahtabbee.

Your committee beg leave to be now discharged from the reference of the above subject.

Respectfully,

## BILL NO. 23.

CHAHTA TAMAHA, C. N., Nov. 7, 1881.

*To the General Council:*

Your committee to whom was referred the report of C. E. Nelson, National Treasurer, for the fiscal year ending July 31, 1881, beg leave to report that the Treasurer's report is substantially correct, but mistakes have been made which should not occur in official business, for instance: two warrants for \$22 aggregate were entered twice, and the amount of another being in excess of the value of the warrant as reported by the National Auditor, making \$33 credit to the Nation, which amount, together with \$3901, the amount in the supplementary report of the Treasurer and the amount from the collector at Stringtown, \$112.90, not on report, as well as \$89.65 from the sheriff of Tobucksey county, royalty on coal at Savanna, and the amount found to be on hand from the Treasurer's report, \$37,350.57, making a grand total of \$41,487.12, as the balance on hand to be carried to account current.

Your committee would further state that there is nothing on the Treasurer's report in regard to receipts from the several sheriffs on account of tax on licensed traders, or on timber shipped out of the Nation off the line of the railroad; and your committee would further state that nothing has appeared on previous reports, hence would recommend the resolution as follows:

*Resolved*, That the National Treasurer is hereby instructed to make a full and complete statement of all monyes or warrants received by him from the sheriffs as taxes on licensed traders since his induction into the office, to the next General Council, and that save this resolution, the report of the Treasurer is accepted as correct.
